## 1 WELCOME NOTE BY RA EVENTS>

Welcome to Talsi!

For more than 50 years, rally has been one of the most anticipated events in Talsi and its region. In these decades, the event organisers and competitors have changed, as has the format and running time of the event. This year, some more changes will be made – the stage distance will be decreased, and the *Rally Talsi* programme has been modified – administrative checks, scrutineering and recce will take place on Friday, May 18, as will shakedown and rally opening ceremony. While all the special stages will be done on Saturday, May 19, followed by finish podium, awards ceremony and open-air concert. Even though the rally has seemingly become shorter and more compact, I am certain that it will not take away from its charm, and that we will be able to

enjoy another fantastic weekend in Talsi, continuing the long rally tradition.

Along with the Latvian Rally Championship, this year's *Rally Talsi* will also be contested by the Latvian Rallysprint Championship drivers, as well as two classes of Historic cars – both in regularity and sport categories. I would like to mention that not all crews will tackle every stage, so please make sure to follow the itinerary and be at the right spot at the right time to see your favourites on the stages.

As has been the case since 2009, we will continue our tradition and invite last season's rally champions to the nine hillocks of Talsi region, with this year being the tenth anniversary of them battling for the perpetual *Champion's Cup*. Champions from Latvia, Lithuania, Estonia, and other near and far countries have been invited to this year's *Rally of Champions*, to determine who will be the fastest in equal conditions!

I would like to thank the Talsi region municipality, who have always found a way to welcome rally participants, providing them with a beautiful event among the region's nine hillocks. Additionally, a huge thank you goes out to our sponsors *Neste* and *Talce / SC Grupa*, as well as all our partners and friends, without whom it would not be possible to continue this rally tradition.

In conclusion, I invite all spectators, competitors and people involved in making the event happen to stay after the finish and head out to Talsi Sauleskalns bandstand, where you will find the *Rally Talsi* awards ceremony, followed by a night ball *Lielais Blieziens Talsos!*

**RA EVENTS** director

**Raimonds Strokšs**

## 2 WELCOME NOTE BY TALSIS

### 2.1 WELCOME NOTE BY THE CHAIRMAN OF THE TALSIS REGION MUNICIPALITY

Welcome to the Talsi region – one of the greenest and most beautiful places in Latvia! Rally traditions in Talsi are 52 years long, and *Rally Talsi* has become an integral part of the lives of both motorsports enthusiasts and the whole Talsi region. It is the first large gravel rally of the season, also known as the Rally of Champions. We can be proud that multiple past *Rally Talsi* competitors can now be seen on the world motorsports stage.

It is not an exaggeration to say that there is no other rally like the one in Talsi region. Each road, each street has something unique – Mordanga stage has countless turns, spectators always visit the jump at the Strazde stage, while the Talsi city stage brings rally into the city itself.

I would like to thank the *Rally Talsi* organizers. Because of them, Talsi becomes the capital of rallying each year, overflowing with movement and the joy of life. We are especially proud of our own Talsi native, Raimonds Strokšs, who is the director of “RA Events” and last year received an order

from the Latvian Automobile Federation for his contributions in development of motorsports. It is also great to know that *Rally Talsi* was chosen as the best rally of 2017. I wish the team continued enthusiasm so that there are even more achievements in the future!

Three years ago, I had an opportunity to get in a rally car and be a co-driver. This was a dream come true, which I would love to repeat sometime in the future. I wish these positive emotions for every *Rally Talsi* competitor and visitor. Enjoy the unique atmosphere of rally and the Talsi region! Hope to see you here next year as well!

**Have a great rally holiday in the Talsi region!**

**The Chairman of the Talsi Region Municipality**

**Edgars Zelderis**
